STUDENT CLASSES

ASSIGNMENT DESCRIPTION:

Using your knowledge of a college environment, convert the following table to an equivalent collection of tables in 3NF (third normal form). Show the tables in 1NF, 2NF and 3NF during the conversion. List the functional dependencies.

Please complete the question in electronic format such as Word or PDF so that they can be uploaded to Canvas.

TABLE:

STUDENT (<u>STUNUMB,</u> STUNAME, NUMCRED, ADVNUMB, ADVNAME, CRSENUMB, CRSEDESC, GRADE)

STUNUMB	STUNAME	NUMCRED	ADVNUMB	ADVNAME	CRSENUMB	CRSEDESC	GRADE
